

**NAJEEB ABDULLA AL MULLA**  
**CHAIRMAN**

This Edition marked the forty-first anniversary of the founding of our Group of Companies.

I attribute our growth from the modest start of 1938 to the present multi-divisional organization to:-

The loyalty of our employees and their ability to utilise the Group's resources to advantage during the acceleration of Kuwait's economic development of the last decade.

The application of ethical and conservative commercial postures.

The wise guidance of the Rulers of our beloved Kuwait.  
Above all, to the blessing of God.

As a Group we shall continue to make every effort to satisfy the demands of Kuwait for goods and services of an ever widening range and of the highest quality. If we achieve this objective, the efforts of our organization will have been successful.

Najeeb Abdulla Al Mulla  
Chairman  
The Al Mulla Group of Companies.
